Azhemiinagoziwin Regaining Strength

*Coming to Kenora in the
Fall of 2010!*

Azhemiinagoziwin is a unique program designed to provide Aboriginal women with the opportunity to begin a journey of self-determination and independence away from the cycles of violence and abuse.

Through individualized training and support services, **Azhemiinagoziwin** offers participants the personal and professional skills needed to succeed in today's job market and/or to pursue further education/training. Based on the ideas, perspectives and direction received from past
