

The ultimate post-secondary preparation checklist

Academic

- Does the program/courses seem interesting?
- Complete program prerequisites
- Contact a program coordinator for more information
- Attend an open-house or virtual presentation

Location

- Research residence, on-campus housing or off-campus housing

Campus look and feel

- Follow the school on social media
- Research website and social channels to learn about the campuses and student culture

Financial Aid

- Research financial aid information
- Apply for OSAP or other funding
- Consider preparing a budget that includes all of your expenses (rent, transportation, child care, food, entertainment etc), including tuition and other school costs.

Beyond the classroom

- Research extracurriculars

Apply!
