Nursing Instructor

Job Description

General Description

As part of the Post-Secondary Education department, the Nursing Instructor will be responsible for guiding and instructing students of SGEI to maximizing the student learning experience by integrating theory and practical experiences. They plan, organize, and implement an appropriate instructional program(s) in a learning environment that guides and encourages students to develop and fulfill their academic potential.

The Nursing Instructor will be a mentor as students become culturally competent members of an interprofessional health care team that meets the needs of society. The instructor is responsible for supervising and evaluating students within the program. The instructor will work within an established framework to deliver educational services/programs. The instructor will demonstrate a strong commitment to the planning and improvement processes, ensure support of student achievement, and report directly to the Nurse Coordinator/Instructor.

Qualifications:

1. Bachelor of Science in Nursing required
2. Master's Degree in Nursing, or ability to obtain
3. Minimum five (5) years of nursing practice experience
4. Current and active Ontario College of Nurses (CNO) registration
5. Other equivalent combinations of relevant education and experience may be considered on a case-by-case basis
6. Current BLS certification
7. Previous experience in providing instructional services is preferred
8. Excellent communication skills as well as strong interpersonal, organizational, presentation and computer skills
9. Knowledge and understanding of the Indigenous culture are preferred with and intimate knowledge of and relationship with the communities of Treaty #3
10. Must have a working knowledge of Microsoft software, including Word, Excel, D2L, Microsoft Teams, Zoom, etc.
11. Demonstrated ability to understand cultural influences and issues specific to adult learners in Northern communities

Supervisor: Nurse Coordinator/Instructor and Associate Director of Health Sciences

Duties:

1. Instruct students using various teaching methods, for example, lecture and demonstration, and use audiovisual aids and other materials to supplement presentations
2. The instructor will be responsible for delivery of lectures on theory, techniques, and terminology, as well as delivery of demonstrations for skills required
3. Teach courses in Nursing Practices, Anatomy, Physiology, Health and Wellness, Psychology, Nursing Research, Mental Health, and other practical courses

4. Administer tests to evaluate students' progress, record results, and issue reports in D2L Brightspace to inform students of their progress and follow up with Nurse Coordinator/Instructor, as needed
5. Instruct and monitor students in the use of learning materials and equipment
6. Keep and maintain attendance records, and follow up with Nurse Coordinator/Instructor, as needed
7. Meet with students to discuss progress and problems and come up with possible solutions to the student's progress (academic tutoring)
8. All instructors are required to attend professional development training sessions
9. May be assigned additional duties as required based on program needs

Relationships

Internal

1. Interacts with other SGEI staff
2. Interact with students daily

External

1. Occasionally interact with community organizations
2. May occasionally interact with education partners

Working conditions

1. Incumbent works indoors in climate-controlled conditions, which may be outside of SGEI at partners locations as required for course components
2. May be exposed to noise, and on rare occasions to behaviourally difficult students, clients, and members of the public
3. Hours vary based on operational requirements with occasional evening or weekend commitments
4. The position requires a high degree of concentration for extended periods of time
5. Manual dexterity is required in the operation of computers, with moderate requirements to maintain speed and ensure accuracy
6. Incumbent varies between alternating positions of sitting and standing with the ability to change positions
7. Occasional lifting of up to 10 lbs required

Conditions of Employment

1. Provision of a satisfactory Vulnerable sector check
2. Current registration in good standing with the College of Nurses of Ontario
3. Valid Ontario class 'G' driver's license
