

Submit your own student ID card image

Boozhoo, SGEI asks that you (first year post-secondary students) submit your own student ID card image. Here's how:

Step 1: Take a photo

- From the torso up
- Smile if you like
- Ensure you have good lighting
- Take in portrait orientation

Please avoid using filters or editing your image.

Step 2: Email it to SGEI

Please email your photo along with the following information to media@7generations.org

- Your first and last name
- Program
- Campus

Please submit no later than: September 18, 2026

Step 3: Receive an SGEI student ID card

This card can be used for our campus library (resources available online for other campuses), for borrowing other resources from SGEI, and as ID for your placement (for select programs).
